(*W.I.D.L.*)

2011 – 2012

CONSTITUTION

PURPOSE

The purpose of this group is to promote the game of dartball among women in the Toledo area in a **friendly**, competitive manner.

NAME

The name of this league shall be the WOMEN'S INVITATIONAL DARTBALL LEAGUE and may be referred to as the W.I.D.L.

AGE LIMIT

Per the existing State of Ohio Liquor Laws, all women and umpires participating in the 2009-2010 season shall be age twenty-one (21) or older. The age limit in subsequent years may be lowered or raised to comply with the current State of Ohio Liquor Laws.

SIZE

The number of teams participating in any one season shall not exceed twenty (20). All teams participating in a prior season must commit themselves to play in the upcoming season by the kick-off meeting in August. Any voids in the schedule, after that date, may be filled by new teams who have expressed a desire to join in the league and who have met the established criteria for admission to the league.

NEW TEAMS

Any team wishing to join the W.I.D.L. should e-mail the WIDL website after the end of the current season. The waiting list will be determined by e-mail date. After the kick-off meeting the officers will contact people on the list in order to fill the open spot. The list will reset every year and any team not getting in will have to re-request via the website. Each team already participating in the league, along with the league officers, shall send a representative, (captain, co-captain, etc.) to visit the new team's house on a designated date and time, to verify that playing conditions are safe and that proper lighting and equipment exists. Upon the house approval, admission to the league shall be decided by those present.

ENTRY FEE

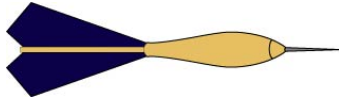

The yearly league entry fee is **\$100.00** and shall be **paid on or before the first Wednesday in October**. Any entry fee not received by the said date shall mean **immediate expulsion** of the team from the league. A bye shall be inserted for that team's number. Any games played shall be declared null and void.

DUES

Team dues shall be **\$25.00** per week, **per team**. The dues shall be mailed in with the scoresheets on a weekly basis and shall be paid by **check only**. The check shall be made payable to the **Women's Invitational Dartball League or W.I.D.L. Dues must be paid for all bye weeks as well**. No team shall be more than two (2) weeks delinquent on dues. Should a team become more than two (2) weeks delinquent, said team **shall forfeit any games scheduled until such time as said team becomes current again**.

At the same time, said team will be incurring forfeit fines for each week team remains delinquent.

The home team is responsible for sending in both teams' checks along with the score sheets to the league Secretary. They are to be received no later than the Saturday following the games.

If a team bounces a check and the bank charges a fee, the league shall also charge an additional fee of \$10.00.

At the end of the season, any team(s) owing monies to the league for any reason whatsoever shall not receive their full cut of the prize money. Outstanding monies will be deducted. Should the Monies owed exceed prize money, the owing team shall pay outstanding differences or be considered in default and not be allowed to participate again until said money is paid in full. Each individual player will be held responsible and accountable for her portion. Should a team drop out of the league or end the regular season owing money to the league, any girl whose name appears on the team's roster will not be allowed to participate in the W.I.D.L. until such time as she pays a percentage of the outstanding monies owed. Said percentage will be determined by taking the amount of monies owed and dividing it by the girls on the team's roster at time they dropped from the league or at the end of the season (I.E., a team leaves owing \$120.00 and there were 12 girls on the roster, each girl who wished to again participate in the W.I.D.L. would have to pay \$10.00 **before** she could be signed with a team in good standing.

Any teams dropping out of the league shall forfeit any monies paid into the league.

FORFEITS

There will be a fine of **\$5.00 per game** for **each** game forfeited due to lack of players or no show, not \$5.00 for a three game series. **The first time all three games are forfeited in a night, a \$25.00 forfeit fine is due. The second time all three games are forfeited in a night, a \$50.00 forfeit fine is due. The third time all three games are forfeited a night, the team is out of the league.**

ROSTER

A team's roster will consist of no less than nine (9) and no more than fifteen (15) players. A complete, signed, official roster of players for each team shall be turned in to the league secretary within the first two (2) weeks after the start of the season. The roster will serve as the player's contract. The names shall be typed or printed legibly on the left side of the roster and the player shall sign on the right side across from her name. Please remember to mark all rookies clearly.

Any signed member of any team participating with a team for the first four (4) weeks or more must have signed release forms from their Captain in order to be eligible to play with any other team in the league. Release forms are available from the league secretary and are to be turned in to the league immediately. An officer must be notified 24 hours prior to play that a player has been released or re-signed.

No new player may be signed after the third (3rd) Wednesday in December unless the team roster drops below the number of twelve (12). No new players may be signed the last four (4) weeks of the season.

ESTABLISHING GAME SCHEDULE CRITERIA FOR PLAYOFFS

The teams participating in the league will be divided into two (2) equal divisions with byes being inserted as needed. One division shall be called the **National League** and the other division, the **American League**. Teams will be plugged into the divisions by means of a blind draw at the season's kick-off meeting, which will take place in August at the house of the league President. Any house sponsoring two (2) teams must draw such that one will play in the American League and one in the National League.

Any time there are twelve (12) or fewer teams participating in any given season, the schedule shall be set up so that each team will play all remaining teams twice, once at home and once away. Any time there are thirteen (13) or more teams participating in any given season, the two (2) existing divisions shall be subdivided into two (2) parts and shall be referred to as **American League East, American League West, National League East** and **National League West**. The schedule will be set up so that each team will play every team once.

(i.e. team 2 won 4 games from team 1 during regular season play - team two has home advantage) If records are identical again, (i.e. both teams won 3 games), the advantage is determined by a coin toss.

Third Leg of Playoffs:

In the third round of playoffs, the two remaining American league teams play each other and the two remaining National league teams play each other in a best of five (5) series to determine the league champions.

House advantage goes to the team with the best win/loss record. Home batting advantage rotates. **If records are identical:** Advantage goes to team with best win/loss record over opponent during regular season play. (i.e. team 2 won 4 games from team 1 during regular season play - team two has home advantage). Fourth Leg of Playoffs:

American league vs. National league. Best of seven (7) series.

House advantage to be determined by a coin toss with the winner deciding to play either first three (3) or last four (4) games at home. Home batting advantage is all three (3) or four (4) games. No rotation.

Any time two (2) teams playing out of the same house are involved in playoffs and both teams have home advantage, the team with the best regular season win/loss record will have their choice to play their best of five (5) series on Wednesday or Thursday night. If records are identical, a coin toss will determine which team plays Wednesday and which plays Thursday. All playoff series will begin at 7:30 p.m. promptly. Any change in starting time will be by mutual agreement of both team captains and league officers.

All league playoffs shall be umpired by league officers. If for any reason, officers are not available to umpire, an impartial party will be appointed by the league officers to serve in this capacity. League officers will also serve as scorekeepers with the same stipulations applying if for any reason they are not available.

THE USE OF SUBS IS PROHIBITED IN THE PLAYOFF GAMES.

SCORE SHEETS

A sample score sheet is included at the end of this Constitution. Please use it as a guide for keeping score during league games. Score sheets are required to be mailed to the secretary and must be postmarked by midnight on Thursday following the match.

The secretary must receive scoresheets by the Saturday following the games. If the scoresheets are not postmarked by Thursday, a **\$10.00 fine** will be levied against the team at fault and will be noted on the stat sheets of the following week. If the sheets are not received by the following Saturday, the team at fault will forfeit all games for the weeks the scoresheets have not been received:

EXAMPLE: Three (3) games played on the 16th
 Sheets are not in by the 19th - \$10.00 fine levied
 Three (3) games played on the 23rd - fine noted on stat sheets
 Sheets still not received by the 26th, games played on the 16th will
 be forfeited and so on...

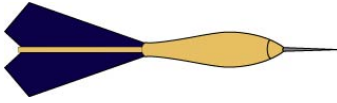

The \$10.00 fine is due and payable within fourteen (14) days of notation on the stat sheets. The fine will be increased \$10.00 per week for each week thereafter that scoresheets are not received.

DUTIES OF TEAM CAPTAINS

Any items covered in the league rules apply the same as if they were written out in their entirety.

Make out line up for games and see that it is recorded on official game scoresheets in a timely fashion. When playing at home, mail original copy of all score sheets and dues checks for both teams. Attend any and all meetings called by the league or protest board. If captain is not personally available to attend said meetings, she is to appoint another player from her team to represent her at the meeting. Verify that stats released by league secretary at the end of the month, agree with their team's records.

Report any discrepancies to the league secretary within two (2) weeks time. The league secretary's books will be closed at the end of the regular season and her records will be considered the true and official stats for the said season after that time.

Captains, co-captains and/or designated substitutes are responsible for controlling their team players on dartball night, which includes before, during, and after the games. Foul and/or abusive language, fighting, obscene gestures, and racial slurs will not be tolerated. Any players that are involved in unruly behavior should be asked to leave the premises immediately. Any altercations will be brought before the league officers for review. The captain or co-captains from each team involved will be present to discuss the issue. Any infraction of these rules will result in disciplinary action. The first offense will result in a two-week suspension and a second offense will result in expulsion from the league. During league play, the use of illegal substances (drugs) within the confines of the house will not be tolerated.

PROPER THROWING OF DARTS

Players must stand facing forward while in the box and throwing darts, no throwing darts between legs, behind back, backwards and/or under legs. All players must abide by the rules set forth and play safely.

CONDUCT OF PLAYERS

The protest board is made up of league officers and team captains. When the protest board is called together, every team **MUST** send one representative. Failure to be in attendance at a protest board meeting or a mandatory meeting called by the officers will result in a **\$10.00 fine**.

A protest must be made at the time of the infraction. A protest shall be phoned into the league Vice President within 24 hours of protest. Failure to do so will negate the protest.

The protest must then be received in writing within 48 hours (by 10:00 p.m. Friday) to the league Vice President. Failure to do so will negate the protest.

Written protest shall be submitted on standard form and opposing team captain will have 48 hours to submit a written rebuttal upon notification that a protest has been lodged against her team.

Any protest lodged is subject to review by the league officers to determine if an infraction has occurred that warrants consideration by the protest board. If the protest warrants a meeting of the board, said meeting will be scheduled by the league Vice President.

Both sides of the issue will be presented to the board and time will be allotted for them to ask questions. The decision will be made that night. A vote will be taken either by a show of hands or in written form if deemed necessary by the league officers.

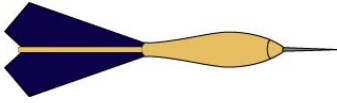

A team filing a protest will have to post a retaining fee of **\$20.00**. This fee must be submitted with the written protest. Failure to post fee within 48 hours will negate protest. If the team wins the protest, the **\$20.00** fee will be returned and the team losing the protest will be required to pay the \$20.00 fee. Either way, the **\$20.00** goes into the league treasury.

ELECTION OF OFFICERS

The President, Vice President, Secretary and Treasurer shall be elected from the body of the league.

Nominations for officers will be accepted during the month of February and will be submitted on the form provided by the league Secretary. Election of officers will take place the night of the season end meeting by means of written ballots. A simple majority is needed to be elected to an office. All election sheets are to be mailed in with the score sheets from the final regular season night of dartball. Failure to mail in election sheets will result in a \$20 fine. Tie votes will be handled by the toss of a coin.

The captains will receive ballots to coincide with the number of girls on their roster sheets. The Vice President will select a committee to count the ballots at the end of the year meeting.
